April meeting

We had a very interesting April meeting. Lindsay did a forest planting demo/workshop. Everyone participated and planted one of the trees that Lindsay brought.. First, the trees were stripped of their leaves so they looked dormant. Lindsay then drew a basic outline on the board. The three tallest trees were put in a triangle in the pot with the taller tree as the focal point. Everyone then planted a tree where they thought it would look good with the tiny trees mostly in the back. It was a very good looking forest planting, guys. Congratulations! Thank you, Lindsay, for a great meeting. We all enjoyed it!
