May Cub meeting with Ted Matson

No one at the plant sale wanted it so Ted Matson bought it because he saw something special in the plant. He turned it into a cascade at our May club meeting.

It's not done yet. Ted has more work to do.

His advice to us was to take a good, long, hard look at a plant before you dismiss it and walk on. You might end up seeing something there that will turn into a masterpiece someday.

We have a new Newsletter Editor.

Shirley Quan has graciously offered to take over as the newsletter editor for Baikoen bonsai Kenkyukai. Welcome Shirley and thank you so much for taking over the newsletter. She will start in July. We are looking forward to a new newsletter.

I would like to thank the board and all the members for the patience and support you have shown me over the years. And Mary, I couldn't have done it without you. Thank you!

We also still need someone to take over the job of Treasurer so if anyone is interested please let Ken Teh know at (626) 822 - 0077 or email him at www.kteh@garvey.ki2.ca.us
