## February Meeting

Our February meeting was attended by many members. We all watched Lindsay do an amazing demonstration on rock glueing. He started out by glueing lava rocks together with a mixture of 60% Portland cement and 40% coarse sand and Cyanoacrylate, 1-3 seconds bonding. (glue you can buy at Michaels. For the planting mix (Muck) Lindsay uses 50% heavy clay and 50% Peat Moss. A very interesting demonstration, Lindsay! Thank you!

Marge Blasingame thanked all those who volunteered for the Bonsai-A-Thon. The bonsais that our club exhibited were beautiful. There were great demonstrations and an auction and raffle. The breakfast and lunch crew worked very hard to feed all the hungry people. Big Joe, you did a great job organizing the breakfast and lunch meals and a big thank you to Tom Lau, Big Joe, Joe Rodriguez, and Alex Marien. They flipped the burgers and grilled the hot dogs. You kept the lines going. You managed to goof off and still work hard and be efficient at the same time. Amazing!!!
