June meeting

Carol Upston showed us that Japanese Boxwood is not just for hedges only. Carol gave us a very informative slide presentation and brought in Japanese Boxwood bonsais too. Here are few of them. Very nice! Thank you Carol for an interesting meeting!

Marge Blasingame also brought in a plant that she air layered in 2005 and now, 8 years later, the plant is almost the same size as the parent plant. You can't see the other plant because it is right behind it. I want to apologize for the very bad angle of the photograph.

Elaine Graczyk

Our July guest will do a demo on *Ficus Linarifolia*. Elaine will put the tree in the raffle.

Those of you who would like to bring a plant can do so because if there is any time left, Elaine, will do a quick "bring your own plant" workshop.

Cookie/Snack sign-up list for the June 27 meeting.
